

Collaborative Technology Committee

October 13, 2009

<http://techmeetings.wikispaces.com>

The purpose of this committee is to develop a technology plan that supports high quality teaching and learning throughout the district.

Agenda:

- Review of Last Week and Status Reports
- MNPS Tube Demo
- Listing Existing Technology and Future Technology Resources that support the 5 Areas of Focus for Leadership and Learning.
- Parking Lot Issues:
 - Software Approval List emailed to all principals and central office staff. Do review requests continue to go to Colleen Grissom or to assigned CTM?
 - Hardware List?
 - Skype—Glengary ES.....
 - 500 clickers in warehouse—how should they be distributed?
 - District Policy and Procedures for approving and selecting software for purchase and/ or use – that includes following the procurement policy after the selection has occurred.
 - Others??
- Next Meeting: Tuesday, October 27th 1:30 PM to 3:30 PM at Bransford Cafeteria 3
